# We believe in naturally honest drinks.

## HIGH QUALITY INGREDIENTS

We respect ingredients to the fullest: our drinks are made with whole grains and nuts avoiding the use of flours or artificial flavourings and aromas. We are located at Montseny Natural Park to access high quality water. Only by doing this, we can ensure the best quality and taste.

## CLEAN LABEL

Thanks to our own unique technologies and expertise, we can produce the most natural products using just the right ingredients. Our products are additives free and do not contain added sugars.

## WE ARE SUSTAINABLE, WE ARE B-CORP

Sustainability is an important topic for us. We joined the B-Corp community, an International group of companies committed to generate a positive impact on people and the planet.
